Login Flexibility: You may log in using either your **Official Email**, your **Teacher Code** (e.g., T102), or any listed fast alias with password **1234**.
System Modules: Instant certificate approvals, automated timetable slot assignment, lecture attendance credits, student approval queues, and Excel exports.

Step-by-Step Login & Password Change Instructions

Follow this quick 4-step visual guide to log in and secure your account with a private password.

STEP 1

Open the ERP Portal & Select 'HOD & Faculty Portal'

1. Open your browser on any phone, laptop, or desktop and navigate to: **https://ece-campus-erp-8qn9.vercel.app**
2. The system will display the animated ECE ERP microchip splash screen.
3. On the login screen, click the green button labeled **'HOD & Faculty Portal'** (with the teacher icon).

STEP 2

Enter Your Login Credentials & View Welcome Greeting

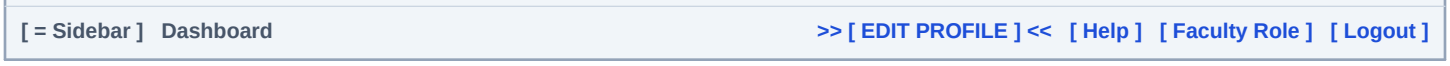
1. In the **'Email / Teacher ID Code'** field, enter your official email or your Teacher Code (e.g. **HOD101**, **T102**, **T103**).
2. In the **'Password'** field, enter default password: **1234**.
3. Click **'Sign In to Faculty Portal'**.
4. A glassmorphic card will greet you: *'Welcome, [Your Name] • [Designation]'*. Click **'Enter Portal'**.

STEP 3

MANDATORY: Click the 'Edit Profile' Button in the Top Header

Once inside your dashboard, locate the top navigation bar at the upper right of your screen.
Look for the prominent blue button labeled **'Edit Profile'** (with the user/pencil icon):
ACTION REQUIRED >> CLICK THIS EXACT BUTTON IN THE TOP RIGHT NAVBAR:

ECE ERP Top Navigation Bar Layout (Visual Location of Button):



STEP 4

Set New Private Password & Save Changes

1. A dialog titled **'Account Profile & Security Settings'** will open on your screen.
2. Confirm your **Display Name** and **Login Email Address**.
3. In the **'New Password'** field, type your new secret private password (minimum 6–8 characters).
4. *(For HOD):* Update your **4-Digit Security PIN** (used for high-security approvals).
5. Click **'Save Profile & Security Changes'**.
6. A green alert will confirm: *'Account settings & password successfully updated!'*.

Your temporary password **1234** is now permanently deactivated.

NEED IMMEDIATE TECHNICAL ASSISTANCE OR PASSWORD RESET?

If you encounter any difficulty accessing your account or resetting your password, contact technical support:
